PRODUCT LIST

At SAHREY Investments, our Packaging Division is driven by a passion for excellence, innovation, and delivering value beyond expectations. This catalog has been carefully curated to showcase our versatile range of packaging products—each one selected to meet the highest standards of quality, reliability, and performance.

Whether you're a small business or a large-scale operation, our mission remains the same: to provide packaging solutions that not only protect your products, but also enhance your efficiency and help you stand out in the market.

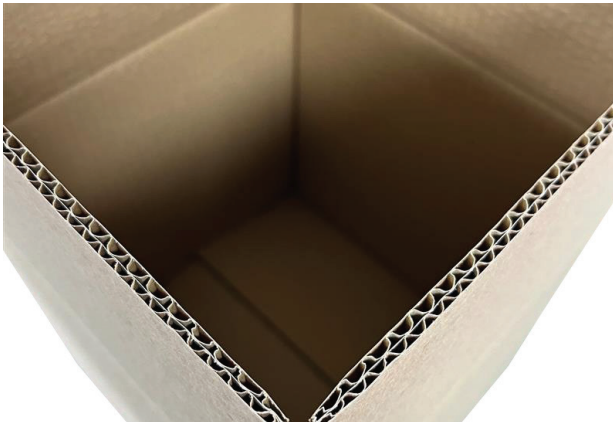

We pride ourselves on offering:

Durable, cost-effective, and sustainable packaging options

Customized solutions designed around your unique requirements

Exceptional customer service with a commitment to

1. Double-Walled Carton Box

A robust and durable box made from two layers of corrugated board, ideal for medium to heavy-duty shipping and storage.

Enhanced strength for added protection

Ideal for stacking and storage

Suitable for domestic and export packaging

2. Regular Slotted Carton with Inserts

A standard RSC box fitted with custom inserts to secure and separate products during transit.

Prevents movement and damage inside the box

Cost-effective packaging solution

Customisable inserts for various product types

3. Die-Cut Self-Locking Carton

An interlocking box with die-cut features that lock securely in place without adhesive.

Tamper-resistant and secure

Sleek, professional presentation

Quick and easy manual assembly

4. Triple-Walled Carton

An ultra-strong corrugated box with three layers, made for heavy industrial items and high-load shipping.

Superior crush resistance

Ideal for export and stacking

Ideal for rough handling and long-distance transit

5. Die-Cut Self-Locking Carton with Inserts

A secure self-locking box with built-in inserts to cushion and position delicate or multiple items.

Built-in protection and organisation

No need for separate cushioning

Tamper-resistant design

6. Double-Walled Inserts for Heavy Cargo

Reinforced inserts made from double-walled board to support and stabilise heavy items within larger boxes.

Ideal for industrial and machinery parts

Custom-fit protection

Increases box load capacity and strength

7. Pallet Boxes, Sleeve and Base Type

Large format packaging consisting of a base, collapsible sleeve, and lid for bulk shipping.

Easily collapses for return logistics

Great for export and warehouse use

Reduces storage space when not in use

8. Printed RSC Box with Hand-Holds

A regular slotted carton box printed for branding, equipped with cut-out handles for easy lifting.

Convenient and ergonomic

Professional branded presentation

Reusable and strong

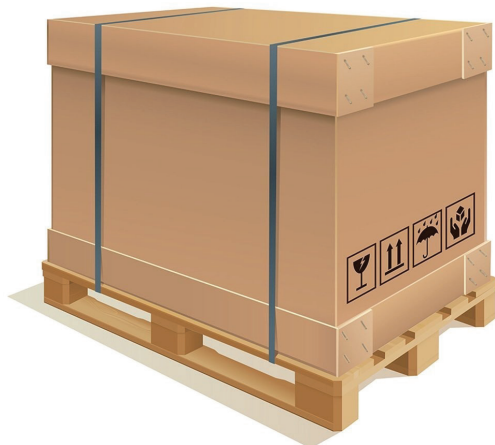

9. Double-Walled RSC Box

A standard regular slotted container with two layers of board, offering extra durability and reliability.

Reinforced for medium to heavy goods

Suitable for automated or manual packing

Great for warehousing and shipping

10. RSC Base and Lid Pallet Box

A large box with a separate base and lid designed to sit on a pallet, ideal for bulk goods and transport.

Provides full protection for large items

Stacks securely for shipping

Easily opened and closed for repeated use

11. Triple-Walled Stitched RSC Box

An extra-heavy-duty box with triple-wall corrugation and stitched seams for maximum load-bearing.

Handles extremely heavy loads

Excellent structural integrity

Ideal for industrial export and storage

12. Die-Cut Match Box

A slide-style carton made with precision die-cuts for a compact, elegant package.

Unique sliding drawer design

Ideal for small products or gifting

Offers a premium unboxing experience

13. Plain Paper Box Tape

A recyclable kraft paper tape designed for sealing cartons, compatible with eco-conscious packaging.

Tear-resistant and durable

Can be written or printed on

Environmentally friendly alternative to plastic tape

14. Plain Acrylic Tape

A strong, transparent sealing tape with an acrylic adhesive for general packing needs.

UV-resistant and long-lasting

Adheres well to most surfaces

Cost-effective for bulk packaging

15. Printed Acrylic Tape

Custom-branded acrylic tape that adds visual branding or handling instructions to packages.

Promotes brand visibility

Quick identification of packages

Same strong sealing properties as plain acrylic tape

16. Web-Reinforced Paper Tape

A kraft paper tape reinforced with fiberglass webbing for added tensile strength.

Ideal for heavy-duty or export cartons

Tamper-evident and secure

Eco-friendly and recyclable
